BACKGROUND AND EXPERIENCE

Please briefly present the partner organisation.

Association Level Up International is an association formed for the purpose of performing activities and actions that aim to develop, organise, encourage, promote and realise the most diverse forms, contents and methods of work for the development of citizens of all ages in the Republic of North Macedonia.

The basic goals and tasks of the association are:

1. To participate and organise local, national and international activities for the development of the civil and sports sector in the Republic of North Macedonia;
2. To undertake activities for achieving membership and international cooperation with appropriate organisations in the civic and sports sectors;
3. To participate and organise projects at the local, national and international level through various grants;
4. To promote active citizenship, volunteering as well as European values through educational programs;
5. To promote social entrepreneurship and provide opportunities for citizens to develop skills and abilities;
6. To promote and support the Sustainable Development Goals of the UN and organise events to support these goals;
7. To promote digitisation and organise events to improve technological literacy among citizens;
8. To promote a healthy life, well-being and sport, to organise events to improve the physical, mental and emotional condition of citizens;
9. To promote and encourage intercultural exchange by organising and participation in local, national and international events.
10. To promote and encourage the inclusion of people with fewer opportunities by organising and participating in local, national and international events.

For the realisation and achievement of the above goals, the association will cooperate with other legal and natural persons, international organizations, state bodies, institutions, as well as with organisations from the non-governmental sector.

What are the activities and experience of the organisation in the areas relevant for this application?

Association Level Up International is dedicated to advancing societal growth through a diverse range of inventive methods, engaging activities, and transformative workshops. Our primary objective is to cultivate the skills, abilities, and overall well-being of individuals spanning all age groups, both locally and internationally.

As a proactive entity, our association has actively participated in the successful execution of over 30 projects under the Erasmus+ Programme since 2019. These initiatives have spanned various key actions, including youth development (KA105, KA152, KA153, KA210, KA227), adult education (KA210), and sports-related programs. Through these activities, we have consistently demonstrated our commitment to developing personal and collective growth, contributing positively to the lives of diverse communities.

Recently we have been partners to the:

- KA151 'Leadership Lab' youth exchange in Poland.
- 2024-3-IT03-KA152-YOU-000283784 - United We Stand: Heritage Theatre - Palermo, Italy.
- 2024-3-AT01-KA152-YOU-000282970 - SPORTIN: Strengthening Participation and Opportunities through Respect, Teamwork and Inclusion! - Rettenegg, Austria.
- 2024-3-ES02-KA153-YOU-000289891 - Team For Youth - Gran Canaria, Spain.

And we have coordinated:

- 2024-3-MK01-KA153-YOU-000289353 - First Steps to Employment - Krusevo, North Macedonia.

What are the skills and expertise of key staff/persons involved in this application?

The key members involved in this application are the following:

Viktor Krstevski, the president of Association Level Up International works as Erasmus+ project coordinator, trainer and facilitator since 2019 and have worked in the Erasmus KA1, KA2 and Sport programmes. From 2009 to 2022, Viktor has been a part of the National Karate Team, winning medals in Balkan, Mediterranean, and European tournaments. With background education of Inorganic Engineering and Environmental Protection at the Faculty of Technology and Metallurgy in Skopje, Viktor is passionate about contributing to projects related to healthy lifestyle, sustainability, sports and outdoor activities.

Sara Krstevska, member of board, works as BTL marketing manager with sport background being part of the National Karate team and Balkan Champion in Karate in 2017. Sara is driven by a compelling goal—to actively promote and advocate for the diverse opportunities that the Erasmus+ program offers to individuals of all ages. Through her unique blend of professional and personal achievements, she strives to bring attention to the transformative experiences that Erasmus+ provides, aiming to inspire and empower individuals across various age groups to engage in enriching international experiences.

Anastasija Nikolovska, member of board, with education background Faculty for physical education, sports and health. Anastasija currently is working as kinder garden sport teacher and handball coach for children. She is actively training and playing handball at national and European level. Anastasija's overarching goal is to contribute to the creation of an active and healthy youth through her multifaceted activities. By combining her educational background with her practical experiences, she strives to instill the values of physical fitness, teamwork, and discipline in the next generation. Anastasija's dynamic approach underscores our commitment to nurturing well-rounded individuals who are not only academically sound but also physically and mentally resilient.

Tomislav Bogdanovski, a board member with a degree from the Faculty of Technology and Metallurgy in Skopje, specializes in Design and Management of Technological Processes. As the coordinator of local activities and events, he combines technical expertise with effective event management. Tomislav's contributions extend to strategic vision and operational efficiency, showcasing his commitment to excellence and positive change within the organisation. His role goes beyond administration, actively engaging in initiatives that highlight technological advancements and promote community engagement.

Ivan Dimitrievski, a board member with a degree in Economics, focuses on social entrepreneurship, first employment, and adult skill development. Leading initiatives that bridge education and employment, Ivan is committed to creating positive social impact. His strategic approach aims to empower individuals through innovative programs that enhance skills, particularly for those entering the workforce for the first time and adults seeking continuous professional development.
